# COSMEX

Your Professional Nail Factory

Your Professional Nail Factory

COSMEX is specialized in the design and manufacture of nail lamps for **10 years.** With a professional research and development team, we possess years of experience in tooling and mass-production, which makes us have much know-how about:

- Solve possible issue on design in early stage.
- Achieve customer original concept.
- Provide good quality products.
- Realize end-user demand.

Our Customers Around the World

COSMEX is always at the forefront of innovative technology in the nail industry, and has offered ODM services to numerous brands from 56 countries all over the world.

LAMP

- Rich Experience and Know-how in Nail Industry
- Specialize in ODM Service
- Best Customer Service
- Innovative Technology and Elegant Design
- Professional and Reliable Technical Support Team

Cosmex provides professional ODM services, even from the very beginning - a concept, an idea - we will work with you step by step, to make sure all the demands are satisfied.

Cosmex technical support team is a group of diligent engineers who have not only equipped with academic background and abundant experience, but also the passion for the pursuit of perfection and beauty. Many new concepts that have not yet been applied to the beauty industry, are made possible by Cosmex! Therefore we are proud to say, when there is a will, there is a way!

COSMEX established its own gel laboratory in 2011 for the research and development of new gel systems, dedicated to the goal of completing customer satisfaction. With experience in producing nail lamps, we successfully find the perfect combination between GEL and NAIL LAMP.

All of our products are made in Taiwan- Research & development, manufacture, filling and packaging, every step of the production is taken place in our facilities.

GEL

- Soak-off Gel System
- Non-Solvent Type Gel
- Customized Service
- Stable Quality
- Responsible Attitude and Best Service

ONE-STEP GEL

LED 60s

No base or top coat needed - Simply 1 step application and done!

Viscosity
Gloss

TOP GEL

LED 60s | UV 60s

Long lasting with perfect shine.
Flexible top gel avoid nicks, chips or smudges.

Viscosity
Hardness
Gloss

NON-WIPE TOP

LED 60s | UV 60s

Extremely shine and longer lasting
Mirror shine and fingerprint resistant finishes.

Viscosity
Hardness
Gloss ★

FURRY TOP

LED 30s | UV 30s

Leaves a matte finish like ground- glass after wiping off tacky layer.

Viscosity
Hardness
Matte Effects

BASE GEL

LED 30s | UV 60s

Weak acidic, long lasting base gel
Prevent chips and detachment effectively.

Viscosity
Adhesion

PEEL OFF BASE GEL

LED 30s | UV 60s

Peel off - Easy to remove and save time for nail art, harmless to nail.

Viscosity
Adhesion

COLOR GEL

LED 30s | UV 60s

High color saturation with toughness and high self-leveling function.

Viscosity
Hardness
Gloss

ART GEL

LED 60s | UV 120s

Great viscosity, easy to draw delicated pattern, saturated color, no smudge.

Viscosity

NON-WIPE BUILDER

LED 30s | UV 60s

Strong and flexible non-wipe builder gel, it can cover glitter, sticker or simply apply this gel to make nails thicker and flatter.

Viscosity
Hardness

EXTEN-SION & BUILDER

LED 60s | UV 60s

Strong and flexible Extension & Builder Gel.
Not broken easily during nails extension.
3 choices to create your natural look nails:
Transparent, Nude and Soft Pink.

Viscosity
Hardness

FIXING GEL

LED 60s **UV** 60s

Jelly-like texture fixing gel - The best choice for applying sharp back rhinestones / Swarovski crystals to gel nails.

STICK-IT GEL

LED 60s **UV** 60s

Easily transfer the pattern of foil stickers on your nail.

Viscosity

HALO GEL

LED 60s **UV** 60s

Easy to perform color smudge effect, free to create your unique amazing nail art.
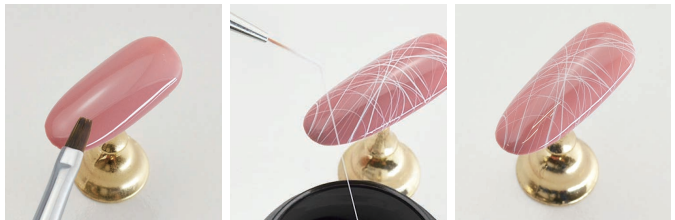

Viscosity

SPIDER GEL

LED 30s **UV** 60s

With amazing tactility and viscosity, can draw line from the touch point to another quickly and easily. Especially used for creating spider lines on your nails.

DIP POWDER	Healthier and low-odor dip powder - Easy to apply and leave your nails a zero bubble and smooth surface.
CUTICLE SOFTENER	Effectively soften and remove the dry and rough cuticles, making nails clear, beautiful and smooth.
BONDER	Non-acidic primer for maximum adhesion on natural nails.
PRIMER	Dehydrates and sanitizes before gel application.
REMOVER	Quickly but gently removes artificial nails safely without drying out the skin.
BRUSH CLEANER	Quickly and safely cleans brushes.
CLEANSER	Removes the tacky residue after final curing.

SPIDER GEL

With amazing tactility and viscosity, can draw line from the touch point to another quickly and easily. Especially used for creating spider lines on your nails.

FIXING GEL

Jelly-like texture fixing gel - The best choice for applying sharp back rhinestones / Swarovski crystals to gel nails.
